## Dear Members of the Class of 2014:

Congratulations on your graduation from Massachusetts College of Liberal Arts!

This is a time of rich celebration and you have much to be proud of. Through hard work and commitment, you have earned your baccalaureate or master's degree from MCLA. The faculty and staff of MCLA join the ranks of many who are proud of you as well. Earning your degree is a milestone that opens the doors of endless opportunities. Your MCLA education provides a solid foundation which you will build with knowledge through continued study, as professionals and engaged members of the community.

As you reflect upon your MCLA experience, do know that we, too, have deeply valued our time with you. You took full advantage of the opportunities to expand your work with undergraduate research, athletics, performance, community service, and through involvement with clubs and organizations. Each of these roles allowed you to grow, and we consider it a privilege to be a part of that growth.

This is only the beginning of the good work that you will continue to do. As you move forward, I hope that you will reflect on your time at MCLA as one that fostered meaningful connections with members of the faculty and staff, as well as lasting friendships with fellow classmates. Please be sure to nurture these relationships as they will enrich you on your path ahead. Wonderful and transformative endeavors are before you, my fellow alumni, and I encourage you to keep in touch with the Alumni Office so that we can continue to celebrate your achievements and welcome you at Alumni events.

I consider it a pleasure and privilege to have served as president during your time at MCLA. To the Class of 2014, I extend to each of you all the best for the future.

Sincerely,

Mary K. Grant, Ph.D.  
President
